OFFERING SOLUTIONS FOR THE HOME TO TRADITIONAL, EXTENDED AND MULTI-GENERATIONAL FAMILIES, SINGLE PEOPLE AND OTHER TYPES OF COHABITATION.

Rispondere a più tipologie abitative prestabilite o trasformative, in quest'ultimo caso consentendo di progettare diverse modalità di utilizzo degli spazi. Dal living allo studio, dalla camera principale alla cabina guardaroba, dagli spazi di connessione ai locali di servizio, differenziando la qualità estetica delle soluzioni progettuali e compiendo sempre scelte giuste, anche nel prezzo. Tutto questo attraverso diverse tipologie di arredo ed un'ampia gamma di facciate: dall'anta con cornice in alluminio, scorrevole o battente piena con finitura materica al pannello liscio con maniglia a tutta altezza o a ridosso.

Meeting the requirements of various types of fixed or transformative homes, in the latter case offering the possibility of planning different ways of using spaces. From the living room to the study, from the master bedroom to the walk-in closet, from corridors to utility rooms, this system lets you differentiate the aesthetic quality of projects so that the right choice can be made at all times. All this is achieved by using different types of furniture and a wide range of fronts: from doors with aluminium frames, sliding or hinged with solid fronts with a textured finish, to plain panels with full-height, integrated or projecting handles.
